

Our Island: Our Hope

A Photography Exhibition held by TEPC

To honor and support Father Moal in Yuli

May 11th to May 23rd 2019

Jazz Image Gallery, Taipei

Who is TEPC?

TEPC is a group of Taiwan photographers founded by Patrice Delmotte, a renowned fine art photographer who has lived in Taiwan for many years.

The group comprises 100 members from many different countries but who all call Taiwan their home.

TEPC's Philosophy

TEPC members believe in sharing and mutual caring. They all believe that photography is part of a larger social interaction and that they must be engaged in Our Island, our Community.

The group has put these beliefs into practice by raising much needed funds for social causes, like St Anne's Home for Disabled Children and Chin-Ai Violin School, through its Photograph Exhibitions.

Our Island: May 11th ~ 23rd 2019

In 2019, TEPC is holding its fourth exhibition, entitled "Our Island" from May 11th to May 23rd to raise funds for our latest cause. The exhibition will showcase photography from the local and foreign community in Taiwan.

(Featured pictures from "The Light of Taiwan" in 2016)

Father Moal in Yuli

Father Yves Moal has worked as a missionary for the people of Yuli in southern Taiwan for over 40 years.

In recognition of his service, he was recently awarded a Presidential Culture Award for his efforts in caring for those who need social care in Hualien.

We are holding our exhibition to highlight the island that we call home both as a homage to the life, landscape, and people of Taiwan, and to honor Fr. Moal's in his mission.

To read more about the life and works of Fr. Moal, please visit Taiwan Panorama's article:

[Fifty Years of Caring for Hualien's Disadvantaged—Father Yves Moal](#)

Father Moal's Mission in Yuli

We are supporting Father Moal's mission and work through "Our Island." All proceeds from the Exhibition will go to support his mission work.

Top Left: Quick dinner with volunteers and friends at a local noodle restaurant.

Top Right: Daily exercise routine.

Bottom: Fr. Moal with friends at the Center.

TEPC 慈善攝影展 幫助南投親愛國小

TEPC日前宣布「台灣之光」慈善攝影展將於2016年3月12日下午3時在台北市大安區華盛頓路重慶里。此次展覽將持續到4月18日。每天展覽時間上午10時到晚上11時。

台灣交流攝影俱樂部TEPC由一群熱愛的外僑和台灣攝影組成。他們分享和互相關照的理念，而且鼓勵大眾參與互動的社會。這次展覽是該團體的第三次慈善攝影展。

當TEPC的成員探討攝影慈善攝影展的意義時，他們深談了關於TEPC。台灣交流攝影俱樂部是一群在台灣愛攝影的攝影人士組成。其成員有專業、非專業、業餘、還有初學者。由於從僑胞的志願大衆同時起點出發，成員每個月舉行活動，通常會與某項主題的作互相討論交流過程評語。

What difference can you make?

We're asking for help in whatever way you can provide. Right now, we are preparing the exhibition and we are looking for sponsorship for certain elements of the exhibition.

- To cover rental costs of the gallery space at [Jazz Image in Taipei](#)
- To cover the typical exhibition costs: publicity, facilities, expenses
- To prepare gifts for our Tombola (Lucky Draw) which helps to raise additional funds

If you're interested in sponsoring part of the event, providing gifts for the Tombola, or spreading the news, please contact Patrice Delmotte via email: delmottepat@yahoo.fr with the subject: "Our Island Exhibition - I want to help!"

I would also appreciate any help to spread the word of our exhibition to your friends, family or online. We look forward to seeing you at the Exhibition Opening.

Announcements will be made at:
